Dear familie! We are an Argentinian family with 3 children and our eldest son would like to do an exchange program to an English speaking country, he speaks fluently and is 16 years old. For our part, we were also able to receive in our house.

Hello, our son is 15 years old and is in the 9th grade at the Göllner Mária Pesti Regionális Waldorf Gimnázium in Hungary. We are looking for an exchange in a French speaking country for 2 months. She has had French lessons at school since 1st grade but needs to improve her speaking. It would be great if we could find someone.
